INDEPENDENT AUDITORS' REPORT

World Hope Ministries International
Houston, Texas

We have audited the accompanying financial statements of World Hope Ministries International which comprise the statements of assets, liabilities and net assets – modified cash basis as of December 31, 2019 and 2018, and the related statements of activity and cash flows – modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note A; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Auditor's Responsibility (continued)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of World Hope Ministries International as of December 31, 2019 and 2018, and its support, revenue and expenses for the years then ended, in accordance with the modified cash basis of accounting as described in Note A.

Basis of Accounting

We draw attention to Note A of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

WORLD HOPE MINISTRIES INTERNATIONAL
NOTES TO FINANCIAL STATEMENTS
December 31, 2019

NOTE A - Summary of Significant Accounting Policies:

Organization and nature of activities -

World Hope Ministries International, a religious organization, is a non-profit corporation under the laws of the State of Texas, originally organized in 1977. The Organization is exempt from federal and state income taxes under Internal Revenue Code Section 501(c)(3) and related state statutes. The Organization is supported primarily through contributions from individuals, churches and other organizations interested in promoting the spread of the Gospel of Jesus Christ. The Organization supports Christian missions and provides theology education to pastors and other church leaders in remote areas of the world.

Basis of Presentation –

The Organization’s policy is to prepare its financial statements on the modified cash basis of accounting; consequently, certain revenues are recognized when received and certain expenses and purchases of assets are recognized when cash is disbursed rather than when the obligation is incurred.

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board. Under those accounting standards, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Net Assets -

Net assets of the Organization consist of the following:

- Without Donor Restrictions – These net assets are available for general obligations of the Organization.
- With Donor Restrictions – These net assets are restricted by donors to be used for some specific purpose or by time limitations.

Net assets with donor restrictions as of December 31, 2019 and 2018 include amounts for the following ministries:

	<u>2019</u>	<u>2018</u>
Mission support and projects	\$5,270	\$84,927
Mission – Global Reach	49,686	70,598
Mission – Bible Institute	302,547	200,604
Kenya Children	<u>22,275</u>	<u>5,500</u>
	<u>\$379,778</u>	<u>\$361,629</u>

NOTE A - Summary of Significant Accounting Policies (continued):

Contributions -

Contributions received are recorded as increases in net assets with or without donor restrictions, depending on the existence and/or nature of any donor restrictions. Contributions that are temporarily restricted by the donor are reported as increases in net assets with restrictions if the restrictions expire in the year in which the contributions are recognized. All other donor restricted contributions are reported as increases in net assets with restrictions.

Gifts of cash and other assets are reported as increases in net assets with restrictions if they are received with donor stipulations that limit the use of the donated assets. When a stipulated time restriction ends or a purpose restriction is accomplished, these net assets are reclassified to net assets without restrictions and reported in the statement of activities as net assets released from restrictions.

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Property and equipment –

Fixed assets are recorded at cost if purchased and at estimated fair value if donated. Depreciation expense for 2019 and 2018 in the amount of \$11,271 and \$10,142 is computed on the straight-line method over 20 to 30 years on the building and 10 years on furniture and equipment.

During the course of its history the Organization has purchased or constructed various assets including buildings, improvements, furniture and fixtures, sound equipment and transportation equipment used in the mission ministries supported by the organization. Although these assets do have significant value they have not been accounted for on the books of the Organization and are not included in these financial statements because of the inability of the Organization to support the cost or the value of these assets. The Organization does not expect to ever realize any significant proceeds from the sale of these assets.

Cash and cash equivalents -

For purposes of the cash flow statement, cash consists of all bank accounts (including undeposited receipts).

NOTE A - Summary of Significant Accounting Policies (continued) -

Donated Services –

The faculty of the Organization is made up of many teaching professionals who volunteer their time to provide theological training to pastors and leaders in remote and underserved areas around the world. These men and women have the education and experience to provide sound biblical training. Without their volunteering the Organization would have to hire qualified individuals to provide the needed training which is an integral part of the mission of World Hope.

The fair value of the services is based upon the educational level of each individual and the hours of service provided. The amount of donated services consisted of 10,200 hours valued at \$472,430 for 2019 and 12,198 hours valued at \$704,822 for 2018 and is recognized in support and revenue as donated services with a corresponding faculty expense in program services.

A large number of other individuals have contributed significant amounts of time to support the ministries of the Organization without compensation. The financial statements do not reflect the value of those contributed services because, although clearly substantial, no reliable basis exists for determining an appropriate amount.

Income Taxes -

The Organization is exempt from federal and state income taxes under Internal Revenue Code Section 501(c)(3) and related state statutes. The organization does file form 990, Return of Organization Exempt from Income Tax with the Internal Revenue Service. The 990's for 2019, 2018, 2017 and 2016 are subject to examination for a period of three years after they were filed.

Estimates -

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses.

NOTE B– Functional Allocation of Expenses:

The costs of providing the various programs and activities have been summarized on a functional basis in the statements of activities. Costs are allocated between supporting services or program services based on evaluations of the related benefits. Supporting services include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

NOTE C – Subsequent Events:

Subsequent events were evaluated through August 28, 2020, which is the date the financial statements were available to be issued.

NOTE D - Significant Concentrations of Credit Risk:

The Organization maintains its cash accounts with Wells Fargo Bank and regularly has deposits in excess of insured limits.

NOTE E – Liquidity and Availability of Financial Assets:

The following reflects the Organization’s financial assets as of the balance sheet date, reduced by amounts not available for general use because of contractual or donor imposed restrictions within one year of the balance sheet date. Donor imposed restrictions that are available for use within one year for general purposes include donations for specific partners in carrying out their mission with respect to the Bible Institute or Global Reach, donations which will be used to support the Kenyan children’s programs and donations which will support specific ongoing projects.
